Objective

Computer Science Engineering student with a strong foundation in Python programming, web development, and core computer science concepts. Hands-on experience in developing responsive front end applications and backend systems using modern technologies. Certified in Python and web development, with a problem-solving mindset.

Technical Skills

Programming Languages — Python, | JavaScript, | SQL, | HTML, | CSS.

Web Technologies: — Front-end Development, Responsive Design

Backend & Databases: — Python-based backend systems, Database Management

Tools & Platforms: — Git, GitHub, VS Code

Soft Skills — Team Leadership, Technical Documentation, Problem-Solving.

Experience

Vocational Training (01 june -30 june)

Completed intensive vocational training focused on HTML, CSS, and JavaScript for front-end development.

Designed and developed responsive web pages with clean UI and cross-browser compatibility. - Gained hands-on experience through project-based learning and real-world use cases.

Technical Projects

Zwigato(Food Delivery Website) — | Technologies: HTML, CSS - | Built a responsive food delivery website UI inspired by real-world applications. Designed homepage, menu sections, and service highlights with a mobile-first approach. - Improved UI consistency and visual hierarchy using modern CSS practices

Hospital Management Website — | Technologies: HTML, CSS, JavaScript | Designed an interactive hospital management system to streamline healthcare services. - Implemented features such as appointment scheduling, department browsing, and patient registration.

Library Management System (Backend) — | Technologies: Python, Flask/Django, SQL | Developed a backend system to automate book tracking, member authentication, and borrowing operations. - Implemented server-side logic for data validation and database interactions.

Education

Shri Shankaracharya Technical Campus Bhilai (C.G), B Tech (CSE) 2022-26
CGPA- 7.3

B.B.S.V.M.Int.College Karwi, Chitrakoot(U.P), 12th 2021-22
Percentage - 73%

B.B.S.V.M.Int.College Karwi, Chitrakoot(U.P), 10th 2019-20
Percentage - 83

Courses/ Certificates

PCAP - Programming Essentials in Python, The Cisco Networking Academy program

Web Development Using HTML,JAVASCRIPT And CSS,
Chhattisgarh Swami Vivekanand Technical University (CSVТУ), Bhilai

Language & interest

Language :- — English (Professional Proficiency) | Hindi (Native Proficiency) | Sanskrit (Basic Knowledge)

Interests :- — E-Sports & Competitive Gaming | Team Sports: Cricket, Football, Basketball | Reading Technical & Academic Books
